MEMORANDUM FOR THE RECORD

9 DEC 1963

SUBJECT : Briefing of Dr. McMillan on Mobile Launched
Indications Satellite

1. Col. Ledford briefed Dr. McMillan on Friday,
6 December, concerning OSA plans for feasibility studies
of a mobile launched indications satellite. [redacted]
[redacted] also attended.

2. Dr. McMillan received the briefing with few
questions or comments. At the end, he noted that the
West Coast had done a considerable amount of work on many
of the items we intended to study and for that reason,
we should work with Gen. Greer on these items. We
pointed out that we planned to get together with [redacted]
[redacted] who has done most of this work for Greer. In
addition, Dr. McMillan asked to be shown the work state-
ments prior to contracting the studies indicated in the
briefing.
